

# GEMMA'S Farm

## calling all budding farmers

Come and join us at  
St. Margaret's on Saturday  
17th March between  
10am and 12pm.

Farmer Gemma and her sheepdog 'Blue' are loading up her truck and bringing her animals to visit us. Spend a morning at this FREE Petting Farm experience getting a chance to be 'hands on' and help with grooming, feeding and holding a wide range of farm animals.

*This experience is for children aged 3 - 7 years. They'll enjoy national curriculum based activities to inspire young minds!*

**Book by Friday, 9th of March to  
guarantee your child a place.**

St. Margaret's  
Preparatory School

**St. Margaret's**  
Preparatory School

**St Margaret's is an independent preparatory school in the village of Gosfield for children aged up to 11.**

**We are a happy school with extremely high levels of parent satisfaction.**

St Margaret's is an independent nursery and preparatory school in the village of Gosfield for children aged 2 to 11. We are a happy school with extremely high levels of parent satisfaction.

We lay the foundations of academic success in the Early Years and build on this as children progress through the school. Our Year 6 pupils consistently exceed national attainment levels and achieve much sought after places at grammar schools and selective independent senior schools. Nursery children are guaranteed a place in Reception at St Margaret's.

The school is nestled in seven acres of protected parkland. It is a glorious rural idyll where children grow and learn at their own pace, developing confidence and independence naturally.

**Book your child's place to meet Gemma and Blue by Friday, 9th of March. Email today on [julie.last@stmargaretsprep.com](mailto:julie.last@stmargaretsprep.com)**
