

WE NEED YOUR IDEAS!

The Friends of St Margaret's gifted the PA a very generous £17,000 which got us off to a flying start making our event planning much easier.

In the last 12 months we raised over £12,000 with your support at a wide range of events.

We spent £13,000 on the new Innovation Lab, we purchased a selection of iPads, Drones, Robots and many other fantastic learning tools.

The wonderful Nick Butterworth creative writing and illustration day set us back a mere £600 providing a full day of workshops for all pupils as well as a bonus session for parents.

TELL US HOW YOU WOULD LIKE US TO ALLOCATE THE FUNDS WE RAISE OVERLEAF!

We need your ideas!

Anyone can put forward a suggestion for consideration - pupils, teachers and parents.
We want to hear from you all!

We welcome suggestions of any price range. Smaller items may be able to be implemented very quickly but we are also looking for ideas that we can actively fundraise for. So far we have had requests for small items such as game-top snack tables and board games for wet days, through to larger items such as a home economics kitchen.

We will consider any and all requests.

One of our few criteria is that funds must be spent in a way that enhances the education of the pupils of the school and it must extend the educational provisions already available.

It's easy to submit your suggestions

To put your ideas forward please fill out the form below, snap the QR code top right with your phone, or visit this link: <https://www.surveymonkey.co.uk/r/WDLRPSL> to launch our online **Application for Funds** form. You can also find the form on the school website under 'School Life > Parents' Association' where you will be able to download the content and either print to write out your application or digitally complete the form and email back to us at stmagspa@gmail.com.

Application for Funds - St Margaret's PA (Once completed please hand in to the School Reception)

1. About you

Full name

Email address Phone number

2. Your relationship with the school
